## **COMPETITIVE TRAIL RIDING AWARDS PROGRAM RULES**

The PShR celebrates the achievement of both the Horse and the Rider when they compete in **COMPETITIVE TRAIL RIDING** events. To be eligible, the horse must be registered with the PShR and the Owner and Rider must have paid membership dues to the PShR for the competition year. A Nomination Form for each horse/rider team must be submitted with appropriate fees postmarked at least 7 days prior to their first ride in order for scores to count. If the horse competes in more than one discipline, an additional fee must be paid for each discipline (e.g., a horse competing in Competitive Trail Riding and Endurance would have to be nominated for both disciplines).

The competition year is from December 1 to November 30<sup>th</sup> of the following year. All results must be reported to the Awards Chair by December 10<sup>th</sup> and be accompanied by placing/results from an official source of a regional or national organization (e.g., results posted on the internet, a competition points sheet signed by the event manager, etc.). The horse/rider team must complete a minimum of two rides to be eligible for points in the PShR Awards Program.

### **I. Competitive Trail Riding:**

- a. Competitive Trail Riding differs from endurance riding since competitive events have several different sanctioning organizations across the USA.
- b. Only rides sanctioned by a regional or national organization will count toward PShR Competitive Trail Riding Awards. The horse/rider team must complete two rides.
