

PSHR BREEDING SUMMARY CHART FOR SHAGYA-ARABIAN STALLIONS

PShR Breeding Guidelines - ZBO

Refer to the Performance Shagya-Arabian Registry Breeding Guidelines for complete details.

Stallion Book I (Book I)

- 1 Stallions must have seven (7) or more registered Shagya-Arabians in the 4th generation
- 2 Stallions must receive a minimum average inspection score of seven (7) or higher at an ISG affiliated inspection.
- 3 Upon breeding inspection and veterinary exam stallions will be temporarily placed in Studbook I. Conditions for permanent entry must be completed to retain placement in the Stallion Studbook I. There is not an age limit on the performance test completion date.
4. Stallions must be performance tested to maintain permanent placement in Studbook I. After approval for breeding a stallion must complete his performance testing and comply with the following:
 - 4.1 Stallions are only allowed three progeny before he completes performance criteria
 - 4.2 A stallion must complete his performance criteria within three years of his breeding approval.
 - 4.3 The PShR may extend the time frame for a stallion to complete his performance testing in special circumstances up to a maximum of 18 months.
 - 4.4 Injured or stallions unable to compete due to age may apply to the PShR to be released from this rule to remain in Studbook I.
 - 4.5 Stallions not completing the performance testing will be removed from the Stallion Book I and placed in Stallion Book II
5. In order to satisfy the minimum requirements of the ISG, Shagya-Arabian stallions used for breeding in the US and Canada up to and including the year 2012, may apply to the PShR for permanent placement in Studbook I.
6. Both parents are Book I Shagya-Arabian OR
7. Stallions with a Book I parent and a purebred Arabian parent may be placed in the PShR Studbook I if:
 - 7.1 If the sire is a purebred Arabian it must have been approved for Shagya breeding.
 - 7.2 If the dam is a purebred Arabian, the following must be taken into consideration:

7.2.1 Beginning in 2010, purebred Arabian mares who have produced a foal by a Shagya-Arabian stallion do not have to be approved for Shagya breeding and may continue to be used for Shagya breeding.

7.2.2 Purebred Arabian mares that have not produced a foal by a Shagya-Arabian by the year 2010 must be approved for breeding to produce foals eligible for Book I.

Stallion Book I Appendix (Book IA)

1. Stallions with less than seven (7) Shagya-Arabians in the 4th generation but meet the remaining requirements as Book I are eligible for Book IA.
2. Purebred Arabians stallions meeting the requirements in Book I are eligible for Book IA.

Stallion Book II (Book II)

1. Stallions must have seven (7) or more registered Shagya-Arabians in the 4th generation.
2. The following points will place a Studbook I stallion into Studbook II:
 - 2.1 An average inspection score less than seven (7) at an ISG affiliated inspection
 - 2.2 And/or has not completed a Stallion Performance Test within three years of his inspection date
 - 2.3 And/or has more than three progeny.

Stallion Book Appendix (Book IIA)

- 1 Stallions with less than seven (7) Shagya-Arabians in the 4th generation.
- 2 The following points will place a Studbook IA stallion into Studbook IIA:
 - 2.1 An average inspection score less than seven (7) at an ISG affiliated inspection
 - 2.2 And/or has not completed a Stallion Performance Test within three years of his inspection date,
 - 2.3 And/or has more than three progeny.
- 3 Purebred Arabians stallions meeting the requirements as Book II are eligible for Book IIA

Mandatory Requirements For All Horses Seeking PShR Licensing:

1. Inspected - Mares and Stallions will be inspected and evaluated per ISG standards for breeding approval. Horses are to be shown on the triangle and at liberty both directions of the ring.

2. SCID - All purebred Arabian mares or stallions must submit a negative test for SCID and must be on file with the PShR Registrar. Shagya-Arabian stallions are encouraged to provide a negative SCID test result.
- 3 Free Jumping - All horses must complete a free jumping course at a recognized PShR inspection site.
- 4 Interior/Temperament Test -All horses will be required to complete an Interior Test as per the ZSAA(Zuchtverband fur Sportpferde arabischer AbstammungeV) criteria at a recognized PShR inspection.
- 5 DNA - All breeding stock must have DNA results on file with the PShR registrar.
- 6 Veterinary Examination - All horses nominated for Licensing will stand for a veterinary examination at are cognized PShR inspection site. The exam will be conducted by a licensed veterinarian and will include but is not limited to a flexion test and trot out on a hard surface. An exam for anomalies, heart defects, faulty bite or teeth, retained or immature testicles, deficiencies or other conditions indicating genetic predisposition will be conducted per the RZBO guidelines.
- 7 Rideability - Horses four (4) years of age or older will be ridden by a rider of the owner's choice and by a test rider selected by the PShR per the criteria at an approved PShR inspection.

Stallion Performance Test

Stallions must complete the mandatory requirements and one of the following performance division. Performance by be started before the required Shagya-Arabian approval for breeding and mandatory requirements.

Stallions must complete **one** of the following to be recognized as PShR Elite Book I or Book IA.

Stallions must complete **one** of the following to complete their performance testing requirement for Book I or Book IA Placement:

In addition to the completion of one of the following to complete their performance testing requirements, all stallions must have produced at least ten (10) performance licensed progeny to obtain PSHR Elite status.

Upon approval by the PShR, any stallion physically unable to compete may substitute fifteen (15) performance licensed progeny to fulfill the Elite criteria.

Jumping: Placed at least five (5) times in the upper 25% of a class at a level comparable to the RZBO requirement of "L-level" of 1 meter 20. Competitions must be recognized by the USEF.

Elite Jumping: Placed at least ten (10) times in the upper 25% of a class at a level comparable to the RZBO requirement of "M level" of 1 meter 30+ or higher .Competitions must be recognized by the USEF.

OR Dressage: Receive the USDF All-Breed award at First Level

OR 3-Day Eventing: Placed at least five (5) time in the upper 25% of a class at a level comparable to the RZBO requirement "L-level" of 1 meter 20. Competition must be recognized by the USEF.

OR Endurance - Two options- 1) Obtain 73 points as per the VZAP (Verband der Zuechter des Arabischen Pferdes eV) Pace Criteria. This must include the completion of two 50-mile rides. Points are calculated as the distance in miles divided by the completion time. **OR** 2) Place in the Top Ten of the AERC Jim Jones end of year division.

OR Distance Riding - Two Options: 1) Complete 1000 miles (may be a combination of competitive and/or endurance and/or LD) in sanctioned organizations. **OR** 2) Complete 500 miles and place in the top ten in an AHA National Competitive, AHA National Endurance, or AERC National Championship Ride.

OR Stallion testing trials: Stallions may complete a 30-day stallion testing conducted by the ISR (International Sporthorse Registry) or a test similar in criteria. Stallions must score a minimum of 75% or higher.

OR Racing: As per the RZBO guidelines, a flat race test with a GAG* of at least 58 kg (127.6 lbs).

OR Meritorious Sire: Any stallion with a total of 10 points acquired from the performance accomplishments of his progeny. The point system equals:

OR Elite Dressage: Received the USDF All-Breed award at Third Level or higher

OR Elite 3-Day Eventing: Placed at least ten (10) times in the upper 25% of a class at a level comparable to the RZBO requirement "M level" of 1 meter 30+ or higher. Competitions must be recognized by the USEF.

OR Elite Endurance - Two options: 1) Obtain 81 points as per the VZAP (Verband der Zuechter des Arabischen Pferdes eV) Pace Criteria. This must include the completion of two 50-mile rides. Points are calculated as the distance in miles divided by the completion time. **OR 2)** Place in top three AERC Jim Jones end of year division.

OR Elite Distance Riding - Two options: 1) Complete 2000 miles (may be a combination of competitive and/or endurance and/or LD) in sanctioned organizations. **OR** 2) Complete 1000 miles and place in the top ten in an AHA National Competitive, AHA National Endurance, or AERC National Championship Ride.

OR Elite Stallion Testing Trials: Stallions may complete a 100-day stallion testing conducted by the ISR (International Sporthorse Registry) or a test similar in criteria. Stallions must score a minimum of 75% or higher.

OR Elite Meritorious Sire: Any stallion with a total of 20 points acquired from performance accomplishments of his progeny. The point system equals:

Licensed Progeny = 2 points per horse

Elite Progeny = 5 points per horse

Stallions may be acknowledged posthumously.
Points received by progeny from continued completion
and/or inspections may be updated accordingly.

OR Other Disciplines: Western Riding, Reining, Hunter,
Driving and other riding disciplines can be submitted to the
PShR for consideration.

Licensed Progeny = 2 points per horse

Elite Progeny = 5 points per horse

Stallions may be acknowledged posthumously. Points
received by progeny from continued completion and/or
inspection may be updated accordingly.

OR Other Disciplines for Elite Placing: Western Riding,
Reining, Hunter, Driving and other riding disciplines can be
submitted to the PShR for consideration.

Assessment Team

The Inspection Commission (Judges) will be carried out by members based on their specialized qualifications and in good standing with the ISG. An ideal panel would include:

- 1) Judge approved by the ISG,
- 2) A neutral Shagya-Arabian expert specializing in performance,
- 3) An experienced Shagya-Arabian breeder,
- 4) A breeding manager of a large scale production,
- 5) Veterinarian.

Other on file with PShR Registrar

DNA on file.

Annual stallion report

Transfer of ownership on file.

Purebred Arabians must be registered with WAHO member or ISG recognized breeding association.
