Type Gender & Breed	8.50 /10	<i>Appearance of a beautiful, elegant &amp; harmonious riding horse. Distinct gender specific characteristics.</i> Elegant, charming. Nice type.	
Head	8.00 /10	<i>Small, defined, dry &amp; expressive. Can be slightly concave or straight. Eyes large &amp; wide apart. Nostrils expressive. Throatlatch wide.</i> Little dish, pretty.	
Neck	8.00 /10	<i>Long noble riding horse neck, fine throatlatch, light neck with an arched crest is desirable.</i> Could be longer, but good; good proportion. Nice.	
Body	8.50 /10	<i>Long shoulders, slope blends into withers &amp; back. Medium length back, close coupling, well-muscled with elastic movement. Croup slightly sloped and long.</i> Nice, well proportion, topline, developed hind quarters.	
Legs	6.50 /10	<i>Should be dry, well muscled &amp; exhibit distinct joints. Smooth transition into the cannon bone. Pasterns elastic and medium length. Well shaped hooves in proportion to the horse.</i> Not enough cannon - too light/elegant; should be more. Front legs close.	
Walk	6.50 /10	<i>Rhythmical, regular 4-beat with active, relaxed &amp; ground covering stride.</i> Very good behind. Some stiffness - not covering ground; needs to relax.	
Trot	7.00 /10	<i>Rhythmical, regular 2 beat diagonal stride with energetic forward motion at acceleration. Distinct impulsion. Ground covering with momentum &amp; elasticity and noticeable hovering phase.</i> Little stiff.	
Canter	6.50 /10	<i>Rhythmical, regular 3 beat stride in correct sequence. Exhibit diligent, powerful, magnificent movement with momentum &amp; elastic uphill carriage.</i> Little short - not covering enough ground.

<b>CANNON</b>	7.36	inches 18.7	cm (1 inch = 2.54 cm)
Type Gender & Breed	7.00  /10	<i>Appearance of a beautiful, elegant &amp; harmonious riding horse. Distinct gender specific characteristics.</i> Good looking sporthorse.	
Head	7.00  /10	<i>Small, defined, dry &amp; expressive. Can be slightly concave or straight. Eyes large &amp; wide apart. Nostrils expressive. Throatlatch wide.</i> Good; not so expressive.	
Neck	7.00  /10	<i>Long noble riding horse neck, fine throatlatch, light neck with an arched crest is desirable.</i> Long enough, but not enough arch, lower set.	
Body	6.50  /10	<i>Long shoulders, slope blends into withers &amp; back. Medium length back, close coupling, well-muscled with elastic movement. Croup slightly sloped and long.</i> Good but slight rise at loin. Shoulder angle a little straight.	
Legs	7.00  /10	<i>Should be dry, well muscled &amp; exhibit distinct joints. Smooth transition into the cannon bone. Pasterns elastic and medium length. Well shaped hooves in proportion to the horse.</i> Strong with good knee & hock; a little behind at knee; little light cannon; little close in front.	
Walk	8.00  /10	<i>Rhythmical, regular 4-beat with active, relaxed &amp; ground covering stride.</i> Very good - covering ground, using back, rhythmic.	
Trot	8.00  /10	<i>Rhythmical, regular 2 beat diagonal stride with energetic forward motion at acceleration. Distinct impulsion. Ground covering with momentum &amp; elasticity and noticeable hovering phase.</i> Little on forehand - needs more engagement from behind. Trot better free.	
Canter	7.00  /10	<i>Rhythmical, regular 3 beat stride in correct sequence. Exhibit diligent, powerful, magnificent movement with momentum &amp; elastic uphill carriage.</i> Hind legs under; good activation/working - could use back more. Still a little on forehand - not moving through body.

Head	7.50 /10	<i>Small, defined, dry &amp; expressive. Can be slightly concave or straight. Eyes large &amp; wide apart. Nostrils expressive. Throatlatch wide.</i> Nice, could be more expressive.	
Neck	7.00 /10	<i>Long noble riding horse neck, fine throatlatch, light neck with an arched crest is desirable.</i> Long enough; could have more arch.	
Body	7.50 /10	<i>Long shoulders, slope blends into withers &amp; back. Medium length back, close coupling, well-muscled with elastic movement. Croup slightly sloped and long.</i> Nice shoulder; back a little deep. Good proportions, but needs to be a little more elegant & longer.	
Legs	7.50 /10	<i>Should be dry, well muscled &amp; exhibit distinct joints. Smooth transition into the cannon bone. Pasterns elastic and medium length. Well shaped hooves in proportion to the horse.</i> Nice; strong bone, could be more elegant; good proportions. Very correct behind. LF a little toe in.	
Walk	7.00 /10	<i>Rhythmical, regular 4-beat with active, relaxed &amp; ground covering stride.</i> Good rhythm, covering moderate ground. Hind quarters a little high.	
Trot	7.00 /10	<i>Rhythmical, regular 2 beat diagonal stride with energetic forward motion at acceleration. Distinct impulsion. Ground covering with momentum &amp; elasticity and noticeable hovering phase.</i> Needs a little more elasticity. Little on forehand. Not engaged enough behind.	
Canter	6.00 /10	<i>Rhythmical, regular 3 beat stride in correct sequence. Exhibit diligent, powerful, magnificent movement with momentum &amp; elastic uphill carriage.</i> A bit downhill/heavy on forehand; could cover more ground. Some stiffness; needs more activity of joints. Too stiff - energy not going through body.

<b>NAME OF HORSE:</b> WineGlass Debonair		PShR-03-1032	Tag # 25
<b>HEIGHT</b>	15.94	hands 162	cm (1 hand = 10.16 cm)
<b>GIRTH</b>	74.02	inches 188	cm (1 inch = 2.54 cm)
<b>CANNON</b>	7.72	inches 19.6	cm (1 inch = 2.54 cm)
Type Gender & Breed	8.00  /10	<i>Appearance of a beautiful, elegant &amp; harmonious riding horse. Distinct gender specific characteristics.</i> Good frame; nice type. Charming.	
Head	8.00  /10	<i>Small, defined, dry &amp; expressive. Can be slightly concave or straight. Eyes large &amp; wide apart. Nostrils expressive. Throatlatch wide.</i> Nice; could be a little more expressive.	
Neck	7.50  /10	<i>Long noble riding horse neck, fine throatlatch, light neck with an arched crest is desirable.</i> Good, but could be better arched; a bit more muscled; transition to chest could be better.	
Body	8.00  /10	<i>Long shoulders, slope blends into withers &amp; back. Medium length back, close coupling, well-muscled with elastic movement. Croup slightly sloped and long.</i> Nice topline, well developed chest & hip; good shoulder angle; loin a little loin.	
Legs	7.50  /10	<i>Should be dry, well muscled &amp; exhibit distinct joints. Smooth transition into the cannon bone. Pasterns elastic and medium length. Well shaped hooves in proportion to the horse.</i> Good legs & hooves; strong. LF toe in; little close.	
Walk	7.50  /10	<i>Rhythmical, regular 4-beat with active, relaxed &amp; ground covering stride.</i> Correct behind; good ground covering walk. Good rhythm; not "clear" in front - a little close.	
Trot	7.50  /10	<i>Rhythmical, regular 2 beat diagonal stride with energetic forward motion at acceleration. Distinct impulsion. Ground covering with momentum &amp; elasticity and noticeable hovering phase.</i> Good use of hindquarters; could use whole body better. Good covering ground; would like to see more knee activity - more expression in front.	
Canter	7.00  /10	<i>Rhythmical, regular 3 beat stride in correct sequence. Exhibit diligent, powerful, magnificent movement with momentum &amp; elastic uphill carriage.</i> Not as good as trot.
