

# PShR Board meeting

## June 13, 2018

Members present: Lucy Stafford, Nicole Mauser-Storer, Marty Power, Holly Haddenham, and Linda Rudolphi

Meeting called to order 505pm.

Treasurer's report as sent by Holly K. a balance of \$7,200 in in the account. Linda was reimbursed for the Kentucky business report. Nicole Makes a motion 2seconded by Marty to accept the report. motion carried.

Secretary's report: Linda made a motion to approve the April 18 minutes it was seconded by Marty. Motion carried.

National endurance ride Discussion:

Awards were discussed. We decided to use the color theme blue and white. They will be ordered from Hodges Badges. We agreed that something useable would be nice and Marty will do more research into the crystal bowls. The top 10 neck sashes will have the Shagya Sun design on them. Blue rosettes will be given to Champion and Reserve. The name of the event will be on the award. We will not do a separate BC for Shagya.

Sponsorship discussion. They do not do a "program" but there is a rider packet envelope that we can put flyers into. AHA prefers that is you have product or samples that it is available to all participants not only the one breed. We need more clarification about the cost of having a banner from the sponsor to put up.

Marketing: Nicole states that we still need more people involved. Board Members (and others) are encouraged to buy shirts from the store to use as marketing for the Shagya Breed.

2019 Inspection: Still working on dates and locations.

Nass: Nass members are always welcome to participate in our inspections and use the tests that they require for Nass registration. Discussion is tabled.

Awards Program: Discussion was held about getting people to turn in event points. Most people are only turning in points at the end of the season or not at all. It is suggested that people be allowed to enroll anytime during the year. Fees will remain in place as is for this year. Marty motioned to change to open enrollment and allow people to pay using check or PayPal. The motion carries.

Advertising or a Booth at the FEI world was discussed. But people are already too busy doing different jobs.

623pm meeting is adjourned.
