

PShR Board Meeting
February 11, 2025

Present: Elizabeth Klocker, Kayla Smith, Lucy Stafford, Chris Power, Nicole Mauser-Storer

Elizabeth called the meeting to order at 7:35 CST/5:35 PST

Chris had distributed the year-to-date reports for income/expenses, transactions and membership as well as the current balance in checking and PayPal. Explained that the expense to HiDat was for maintenance of the registry which, along with ISG dues, is the organization's largest annual expenses.

Nicole reported that she had received emails from two individuals who indicated they were interested in having their horses inspected in the next one to two years. Nicole will reach out to them.

Nicole noted that she is the only one that has access to the PShR email; this issue will be addressed in the future, along with further discussion of Officer/Board succession planning to ensure smooth transitions.

Reconfirmed that the annual membership meeting of the organization will be on April 8, 2025. Elizabeth will post a notice on Facebook and ask interested parties to contact Chris for the link to Zoom for the meeting. In anticipation of that meeting Elizabeth will reach out to an individual to invite their participation in PShR.

Discussed the future of the breed, noting that other breeds have also seen large declines.

Kayla volunteered to draft a poll for the organization's Facebook page, which has a lot of followers, to assess interest in the breed.

Kayla is handling the annual awards and once she has them ready for mailing she will reach out to winners to inform them of their award.

Elizabeth plans to have the Newsletter out in the next few months after she receives photos from the annual award winners.

The group noted that despite the decline in breedings, the organization is in good financial condition to continue for the foreseeable future.

Meeting adjourned at 6:05

Respectfully submitted: Chris Power
