COMPETITIVE DRIVING AWARDS PROGRAM RULES

The PShR celebrates the achievement of both the Horse and his Driver when they compete in **COMPETITIVE DRIVING** events. To be eligible, the Driver and his/her Horse(s) must be members in good standing with the PShR and must submit an Application Form with appropriate fees that is postmarked at least 7 days prior to their first event in order for scores to count. The competition year will be the calendar year of January 1 to December 31.

All competitions must be approved events, recognized by a national organization, with mandatory veterinary supervision. The American Endurance Ride Conference (AERC), Upper Midwest Endurance Competitive & Endurance Ride Assoc. (UMECRA), North American Trail Ride Conference (NATRC), and Arabian Horse Association (AHA) are examples of approved event sanctioning organizations. If a driver is in doubt of the sanctioning organization, please contact the PShR Award Chairperson for clarification before the event.

The driver must be a Member in good standing of the Performance Shagya Registry (have a current membership) at the time of the competition. The program participant is defined as the individual HORSE, not a specific Horse and Driver combination. A fee of \$10.00 for each division entered must be paid to be eligible for championships. If the horse competes in more than one division, an additional fee of \$10.00 for each must be paid for each division. For example, a horse competing in Competitive Driving and Endurance would have to nominate for both divisions.

Endurance, Limited Distance, Competitive Riding and Competitive Driving will be awarded separately. In addition, a Senior and Junior rider will be awarded in each division. A Junior is anyone that has not reached his/her 18th birthday by January 1 of the award year. A horse must complete the event and pass any veterinary exams to be eligible for PShR points.

A copy of the competition flyer or some form of published information must be sent to the Awards Chairperson within 45 days of the event. The results/placing from the event must be either from the intranet or from a competition point sheet signed by event management.
