ENDURANCE AWARDS PROGRAM RULES

The PShR celebrates the achievement of both the Horse and the Rider when they compete in **ENDURANCE** riding events. To be eligible, the Rider and his/her Horse(s) must be members in good standing with the PShR and must submit an Application Form with appropriate fees that is postmarked at least 7 days prior to their first ride in order for scores to count. The competition year will be the calendar year of January 1 to December 1.

All competitions must be approved events, recognized by a national organization, with mandatory veterinary supervision. The American Endurance Ride Conference (AERC), Upper Midwest Endurance Competitive & Endurance Ride Assoc. (UMECRA), North American Trail Ride Conference (NATRC), and Arabian Horse Association (AHA) are examples of approved ride sanctioning organizations. If a rider is in doubt of the sanctioning organization, please contact the PShR Award Chairperson for clarification before the event.

The rider must be a Member in good standing of the Performance Shagya Registry (have a current membership) at the time of the competition. The program participant is defined as the individual HORSE, not a specific Horse and Rider combination. A fee of \$10.00 for each division entered must be paid to be eligible for championships. If the horse competes in more than one division, an additional fee of \$10.00 for each must be paid for each division. For example, a horse competing in Competitive Trail Riding and Limited Distance Endurance would have to nominate for both divisions.

Endurance, Limited Distance and Competitive Riding and Competitive Driving will be awarded separately. In addition, a Senior and Junior rider will be awarded in each division. A Junior is anyone that has not reached his/her 18th birthday by January 1 of the award year. A horse must complete the ride and pass any veterinary exams to be eligible for PShR points.

A copy of the competition flyer or some form of published information must be sent to the Awards Chairperson within 45 days of the event. The results/placing from the event must be either from the intranet or from a competition point sheet signed by event management.
